

We are pleased to announce that our proposal for a
SPECIAL ISSUE in QUATERNARY INTERNATIONAL (ELSEVIER)

**“LOST LANDSCAPES: RECONSTRUCTING THE EVOLUTION OF COASTAL AREAS SINCE THE
LATE PLEISTOCENE” was accepted**

SHORT TITLE: “PALEOCOASTS”

If you have some unpublished “Neptune-themed” research and are interested in submission,
send an E-Mail with the list of authors and a provisional title to
gaia.mattei@uniparthenope.it

Please add the acknowledgement text: “This paper (also) benefited from the discussion(s) at
the Neptune meeting (INQUA CMP project 2003P).”

Guest Editors: Gaia Mattei, Ana Novak, Claudia Caporizzo, Livio Ronchi, Martin Seeliger
